## Hebrew Learning Resources

### Free

- [www.torahinmyheart.com](http://www.torahinmyheart.com) Click on Read the Bible in Hebrew for an alef-bet chart and how to get started.
- [www.blueletterbible.org](http://www.blueletterbible.org) Click Tools to see Hebrew text and root words. Click the root word for Strong's.
- [www.mechon-mamre.org](http://www.mechon-mamre.org) Click Parallel Hebrew and English to see them side by side. Once you've selected a chapter, you can also click Listen to this Chapter in Hebrew.
- [www.torahportions.org](http://www.torahportions.org) Weekly Torah schedule plus Haphtarah and Brit Chadashah readings.
- [www.in-hebrew.co.il](http://www.in-hebrew.co.il) Over 1,200 phrases with audio, transliteration, and translation.
- [www.israel365.com](http://www.israel365.com) Hebrew verses emailed to you every day.
- [www.hebrew4christians.com](http://www.hebrew4christians.com) Tons of information.
- [www.translate.google.com](http://www.translate.google.com) Especially useful when you can input Hebrew with your keyboard and camera.

### Not So Free

בראשית פרק א  
Genesis Chapter 1

א. בְּרֵאשִׁית בָּרָא אֱלֹהִים אֶת הַשָּׁמַיִם וְאֶת הָאָרֶץ:

1. Be•re•sheet ba•ra Elohim et ha•sha•ma•yim ve•et ha•a•retz.

1. In the beginning God created the heaven and the earth.

- [www.hebrewworld.com](http://www.hebrewworld.com) (pictured) Dr. Danny Ben Gigi's site. The *Hebrew-English Phonetic Bible* has each verse of Tenach with Hebrew, transliteration, and translation. You get confidence in pronunciation. His new *Biblical Hebrew Home Study* is a great way for the beginners to start reading Hebrew. Dr. Ben Gigi is a native Hebrew speaker and taught biblical Hebrew at Arizona State University for fifteen years. If you can afford the *Hebrew-English Phonetic Bible*, that should be your first purchase.

- [www.olivetree.com](http://www.olivetree.com) Downloadable Bible versions with Strong's for PC, tablet, or smart phone. I use the *NKJV with Strong's*. Once you purchase the Olive Tree app, many other future purchases will be available as you read by accessing Resources. Olive Tree and Accordance also have BHS Morphology apps, which examine the grammar for each word of the text.

- [Hebrew Bible](#) by Zev Clementson. My favorite Apple app for reading Tenach in Hebrew. Side-by-side Hebrew and English or just Hebrew. Strong's too. Same audio as mechon-mamre. The *Hebrew-English Phonetic Bible*, *Biblical Hebrew Home Study*, *Olive Tree NKJV with Strong's*, and *Hebrew Bible* give you all you need to study the Bible in Hebrew off-line.

- [www.pimsleur.com](http://www.pimsleur.com) Best for modern conversational Hebrew. Ads claim that you will learn Hebrew in half an hour a day. If you're gifted in languages. Otherwise, think of training for a marathon, hours a day.
- [A Reader's Hebrew Bible](#) by A. Philip Brown. If you want to unplug, this book version of Tenach in Hebrew has every word used fewer than 100 times listed at the bottom of each page, plus a glossary.
- [The Very Best of Israel 1&2](#) Two CDs of popular Israeli music from past years. Comes with a lyrics pamphlet. Go to a site like [www.hebrewsongs.com](http://www.hebrewsongs.com) to get more lyrics.

- If you start with [20 hours \(see video\)](#) of intense study and a year of grinding your way through the Torah portions in Hebrew each week, you will be on your way to being a Hebrew scholar! One day you could say with Micah and Isaiah, "Come, and let us go up to the mountain of the LORD, and to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for the law shall go forth of Zion, and the word of the LORD from Jerusalem."
